

Note: Before installing, configuring, operating, or maintaining ProSoft Technology products, please review this information and the information located on www.prosoft-technology.com for the latest software, documentation, and installation files specific to your ProSoft Technology product.

Installation and maintenance of your ProSoft Technology product(s) should be carried out by suitably trained personnel in accordance with applicable codes of practice. In case of malfunction or damage, no attempts of repair should be made. Your ProSoft Technology product(s) should be returned to the manufacturer for repair. Do not dismantle the product.

For professional users in the European Union

If you wish to discard electrical and electronic equipment (EEE), please contact your dealer or supplier for further information.
